Manuscript No.: 104696-PJBS-ANSI
Submitted to: Pakistan Journal of Biological Sciences
Title: **Pterygota alata (Roxb.) R.Br. Bark Fraction Induced Intrinsic Apoptotic Pathway in 4T1 Cells**
by **Decreasing Bcl-2** and **Inducing Bax Expression**

Dear Rollando Rollando,

Thank you very much for submitting your above mentioned manuscript. Your paper has been assigned with an ID of 104696-PJBS-ANSI. Please refer to this ID whenever you communicate with our Editorial Office in the future.

Your paper will undergo the NORMAL REVIEW PROCESS of the Journal. The process normally takes 3 to 4 weeks to complete depending on the number of rounds the reviews need to take place.

Please do expect slight delay if the review period overlaps with a long holiday or Summer/Winter break.

Once again, thank you very much for your submission to the Pakistan Journal of Biological Sciences.

Regard
Zunaira Nazish
Academic Editor

Dear Rollando Rollando,

Thanks for considering Pakistan Journal of Biological Sciences to publish your valuable research findings.

We have sent a request letter to few of the reviewers available in our database for the evaluation of your submitted manuscript. As early as we receive the positive response from any reviewer(s) we will send your article for evaluation purpose.

You can also help us to accelerate the evaluation process by suggesting at least 3 reviewers for the evaluation of your article. So, you please suggest three reviewers who can review your article in a timely manner, please send us their name with complete postal and email address by replying this email.

Your quick response would be highly appreciated.

Regard
Zunaira Nazish
